Dear Parents and Carers

Communication

I am writing to say what a wonderful start to the academic year. Attendance has been averaging at 99% which is well above the National Average for the past two weeks; uniform is impeccable and behaviour and conduct has been outstanding from the majority of students.

Your support and valuable and constructive comments on how to further improve our school have been so informative.

In my letter on the first day of term, I opened up the lines of communication very explicitly and said how we need this to improve. I truly believe it has. We are in partnership and we need to work together. We as adults need to model to our children respect; kindness; empathy and good manners. We as a community; all of us together; need to use social media sensibly and responsibly as we want our children to grow up with good role models.

Please praise your children at home for their positive start and I know this will continue.

Yours Sincerely,

Mr. A Osborne
