Dear Parents, Carers and Students,

## The Ongar Academy – Advent Calendar December 2018

Please find attached The Ongar Academy Christmas Advent Calendar for 2018.

In keeping with our ethos of kindness and positivity, we thought it would be a nice idea that we all, as adults and students, do the following each day to make our community an even better place. This will be displayed in each classroom, and we hope that you will display this in your homes.

We wish our parents, carers and students a happy and festive Christmas season.

Yours sincerely

Mr. A. Osborne
