

30th October 2018

Dear Parents and Carers,

Partnership with Chelsea FC Foundation

I am delighted to write to you with regards to an exciting partnership which will commence this term. You may know Chelsea have offices at our school and also run a number of coaching sessions for us during lunchtime. Mr Andrew Morgan, Development Manager for the Chelsea FC Foundation – Essex, and I have been working to put together an exciting 10 session program for 3 cohorts of students.

Following discussions with our Senior Leadership Team, I am delighted to say your son has been selected for the first cohort of students. The program itself aims at increasing confidence, building relationships, developing leadership skills and increasing awareness during decision making whilst developing a greater understanding of the world we live in. I am delighted to say we have secured funding for this and there are no costs incurred for the students, however they will need to bring their PE kit to the sessions as they will be a combination of practical and theory based lessons. Students will be awarded with a certificate at the end, providing they attend and participate/engage fully. They will complete the 10-hour course on the dates and times below.
