First Deputy Headteacher: Ms. E. Ruffles

24th April 2019

Dear Parents and Carers,

Traffic signals outside of the School

As you have been aware there have been substantial roadworks taking place on Fyfield Road and the surrounding areas for a number of months now. The roadworks have now moved closer to the main junction of the school and as a consequence, are causing more disruption due to them controlling 4 different directions of traffic.

The school want to communicate that as this is out of the students control, they will not be penalised for being late due under these circumstances.

For students travelling to school by car, we advise if you feel it is appropriate and your child is safe to do so, that they get dropped off further away and travel by foot to the school to avoid sitting in this traffic. Alternatively, we request that you leave for your journey earlier, adding the additional time it is taking for you to get through this traffic.

During this time as I mentioned earlier, students will not be penalised by the school for arriving late under these circumstances, however as learning begins at 8.45am we would like to find some solutions to allow them to arrive on time so that they do not miss out on their valuable learning time.

Please email the school if you have any concerns or feedback about this letter.

Yours sincerely,

Mr. A. Osborne
Executive Headteacher

Ms. E. Ruffles
Deputy Headteacher
