2<sup>nd</sup> May 2019

Dear Parent/Carer,

### Collins Edexcel Maths GCSE Revision book

We are able to offer our GCSE Mathematics students an opportunity to purchase the Collins Edexcel Maths GCSE Revision book at a discounted price. It is aimed at the specific course that students are taking, and includes a workbook with questions and answers. This is an invaluable resource for our current Year 10s from September, during their final GCSE year.

There are two books available, foundation and higher. If your son/daughter is unsure of which book they need, their maths teacher will be able to guide them.

The book retails at £10.99, however we are able to offer this at the reduced price of £3.99. This will be available for purchase this via Wisepay until the 14<sup>th</sup> June 2019. Please ensure that you have made payment before this date to enable the books to be distributed to students before the end of this academic year.

Yours sincerely,

Mr. J. Simpson  
Head of Faculty: Maths & Computing
