- **Would you like to join a team supporting a busy science department?**
 - **Are you organised with a knowledge of safe working practices?**

If so, we'd like to hear from you. Responsibilities will include helping across the science department at The Ongar Academy with a range of duties, including keeping laboratories clean and tidy and topping up equipment where necessary. The position will involve some lesson preparation (initially under supervision). Full training will be provided and a knowledge of science is desirable. We will take into consideration individual requests for working patterns within the week.

Closing date: Friday 24th May 2019

Proposed Interview date: 3rd June 2019
