17th July 2025

Dear Parents and Carers,

We hope this message finds you well. We are writing to inform you that your child's final End of Year Report is now live and accessible via Edulink. This report provides a clear overview of your child's academic progress throughout the year. It includes:

- An Attitude to Learning (ATL) score, which reflects their engagement, effort, and overall approach to their studies.
- Six half-termly progress grades for each subject, showing how your child has progressed over the course of the academic year.

These progress grades are assessed using the following system:

- A – Above Expected Levels (Green)
- E – Meeting Expected Levels (Yellow)
- B – Below Expected Levels (Red)

Once on Edlulink, please click on 'assessment' on the wheel around your child's picture. Here you will see all of the above.

We are pleased to celebrate the successes of those students who are working at or above expected levels. Their commitment and hard work throughout the year have been commendable, and we encourage them to carry this momentum forward into the next academic year.

For students currently working below expected levels, this is an important time for reflection and growth. We strongly recommend that students use the summer break to address any gaps in understanding and build confidence ahead of the new term. Please contact individual classroom teachers for guidance on suitable work to complete. In addition, students should make use of:

- Sparx
- BBC Bitesize – Key Stage 3
- Oak National Academy – Key stage 3 Subjects

These platforms offer a wide range of supportive resources tailored to Key Stage 3 learning.

If your child has any blank spaces on their report, then this means that the student missed the assessment, either through absence or because they might have been taking part in wider school activities. If you would like your child to sit the assessment, please speak to their subject teacher, and they may be able to provide you with a copy for your child to complete over the Summer.

Should you have any questions or wish to discuss your child's report further, please do not hesitate to contact their form tutor or Head of House.

Thank you for your continued support. We wish all our students a restful and productive summer break.

Warm regards,

Mr Williams
Assistant Headteacher: Progress, Outcomes, Data and Assessments.
