Dear parent/carers,

We wanted to signpost you to a service provided by county. If you are concerned that your child has needs and would like to discuss these with a professional from Essex, this could be the place to go:

These are in person events for parents and carers of children and young people with Special Educational Needs and Disabilities (SEND).

Your child does not need a diagnosis for you to come and get help at a roadshow. You may:

- be new to SEND and unsure what help is available
- feel your child needs help or have questions about the support they already receive
- want to find out what support there is for you as a parent or carer
- not be sure what support you might need

What to Expect:

Have questions about your child's needs and the best support available? The SEND Roadshow brings together a variety of professionals under one roof, including local support groups, education professionals, health teams, and social care teams.

You can:

- access support and information
- understand the different services available
- discover local support, such as parent groups and inclusive activities
- attend free talks
